

Jay Korbelik

BVSc, MSc, Diplomate ACVD | British Columbia

Dr. Korbelik graduated with honours from the University of Queensland with a Bachelor of Veterinary Science in December of 2008. He returned to Canada, where he completed a Small Animal Rotating Internship at the Western College of Veterinary Medicine. Dr. Korbelik practiced as a veterinarian in his home town of Vancouver for 5 years. In August of 2015, he decided to pursue his passion for dermatology and completed a Residency at University of Guelph Veterinary Dermatology. He concurrently completed a Master of Science in Pathobiology at the University of Guelph. His area of interest is how the cutaneous microbiota is altered by disease states. He now lives with his two cats (Luke and River) in Vancouver.
