

Jangi Bajwa

BVSc & AH, Diplomate ACVD | British Columbia

Dr. Jangi Bajwa is a board-certified veterinary dermatologist with American College of Veterinary Dermatology. He works at VETDERM Veterinary Dermatology & Ear Referral Medical Clinic in Surrey BC. He also provides dermatology services in Winnipeg, Manitoba. Dr. Bajwa is also a consultant with Veterinary Information Network (VIN), is the dermatology feature editor for Canadian Veterinary Journal (CVJ), is Grant Chair on the Canadian Academy of Veterinary Dermatology (CAVD) executive committee and is the CE Committee Chair for Society of British Columbia Veterinarians. He is Level 1 Fear Free certified. His dermatology interests include client communication, pet anxiety-free approach to pet dermatology care, otitis, and its treatment, as well as canine & feline allergic disease. Continuing education of veterinary professionals and pet owners for enhanced dermatology care is a passion of his.

Additional interests include running, helping beginners love the sport of tennis and watching sporting events.
