

Laura O'Shaughnessy-Hunter

Diplomate ACVD | Ontario

I graduated from the Ontario Veterinary College in 2014 and subsequently took a position as a mixed animal veterinarian on Salt Spring Island in BC. It was there that I first discovered my interest in veterinary dermatology. After a year out West, I moved to Ottawa and practiced as a small animal veterinarian for 2 years before deciding to pursue my passion in veterinary dermatology by first performing a rotating small internship at the Atlantic Veterinary College in PEI and then a dermatology residency with the Veterinary Allergy Dermatology and Ear Referral Clinic (VADER Clinic) in Puslinch, Ontario. I successfully completed my ACVD boards in 2021 and am excited to stay on at the VADER Clinic as a boarded dermatologist. I am particularly interested in cornification and alopecic disorders as well as allergic skin diseases. In my free time I love to go hiking, cross-country skiing and backcountry camping.
